

get a jump on LIFE

startingLIFE

checking accounts for students

With National Bank of Commerce's [startingLIFE](#) checking account, students ages 15-21 can learn financial responsibility and have more freedom. Just look at all these great features:

- > Only \$50 to open an account
- > NO minimum balance requirements
- > NO fees
- > FREE online banking
- > FREE e-statements
- > FREE box of starter checks
- > One time use of "Accidents Happen" (one NSF fee waive per year—for when you make those silly mistakes)
- > ATM Card
- > FREE use of Quick Change machine
- > Links from NBC website to cool financial literacy websites
- > Unlimited check writing

Ask our Financial Service Representative how you can get started with a [startingLIFE](#) account TODAY!
