

get them started early

startingLIFE

savings accounts

With National Bank of Commerce's **startingLIFE** savings account, children up to age 19 can get an early start on saving! And better than a piggy bank, this account earns interest! Just look at all these great features:

- > Only \$5 to open an account
- > NO service charges
- > NO minimum balance to earn interest
- > FREE online banking
- > FREE e-statements
- > Links from NBC website to cool financial literacy websites
- > FREE use of Quick Change machine (Inverness Banking Center only)

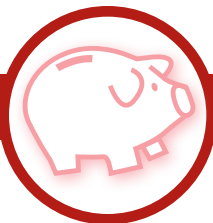

Ask our Financial Service Representative how you can get started with a **startingLIFE** account TODAY!

startingLIFE accounts must be associated with a parent or guardian as primary owner of the account. Important Notice: Savings accounts are limited transaction accounts and are subject to Regulation D. Withdrawals are limited to three (3) per month. Excessive withdrawals over the limit may result in fees, account closure, change of account type, termination of transfer capability or other remedial action. See your account disclosure for full details.
